Deposit \$100.00 and \$15.00 per hour with a minimum of 4 hours rental.

Humble Center Can accommodate 93 people

Deposit \$100.00 and \$15.00 per hour with a minimum of 4 hours rental.

DROUGHT CONTINGENCY PLAN

Water Uses and Restrictions Always in Effect:

- No person shall allow water to run off a property into streets or storm drains;
- No person shall allow water to flow constantly through a tap, hydrant, or valve;
- Defective plumbing resulting in water loss or leaks must be repaired.
- No person shall use any non-recycling decorative water fountain
- Irrigation heads or sprinklers are not permitted to spray directly on paved surfaces, such as drive- ways or sidewalks in public right-of-ways.
- An irrigation system cannot operate at water pressures higher than recommended, causing heads to mist, or to operate with broken heads.

EMERGENCY MANAGEMENT

2-1-1 Texas and Hurricane Preparedness, Response, and Recovery Assistance

Through the Governor's Division of Emergency Management State Operations Center:

2-1-1 is creating a database of persons who, for any reason, require transportation assistance to evacuate from the Evacuation Zone along the Texas Gulf Coast. The website below has more information regarding the Special Needs Registry aka "Transportation Assistance Registry". <https://www.211texas.org>

You may call the number on the link or pick up a form at any of the local city offices (Public Safety Building, City Hall, Community Services, Library, the Senior Center and the Chamber of Commerce)

CBCAN (Coastal Bend Communications Alert Network)

As a resident of the Coastal Bend there are many actions that you can take to prepare yourself and your family for emergencies and disasters. One of the first and easiest steps to take is to sign-up to receive **notifications** with the communities where you live, work, have family or friends, or own property.

To help you get connected whatever your needs, counties and municipalities are working together to create a one-stop-shop for any resident to see what's available and sign-up to receive the types of information they want. <http://www.coastalbendcan.org/>

Hurricane Kit - List of Survival Materials

Bottled water (1 gallon per person per day) for 1 to 4 days
Manual can opener
Non-perishable foods (canned)
Flash light w/ Extra Batteries
Weather Radio w/ Extra Batteries
Full tank of gas in your vehicle
Extra Cash (ATM's may not be operable)

Refer to the Federal Emergency Management Agency's (FEMA) ready.gov/hurricanes for comprehensive information on hurricane preparedness at home and in your community.

FROM INGLESIDE FIRE MARSHALL:

National Council on Fireworks Safety Offers Common Sense Tips for Staying Safe During Holiday Celebrations

Using consumer fireworks on New Year is a tradition. And it can be safe if a few common sense rules are followed, says Ralph Apel, the spokesperson for the National Council on Fireworks Safety. Consumer fireworks go through vigorous third party testing in China before being shipped to the United States. But he notes, according to the U.S. Consumer Product Safety Commission ("CPSC"), there were an estimated 9,600 fireworks related injuries during the Fourth of July season in 2011. Most of these injuries would not have occurred if the fireworks had been used under close adult supervision and if some basic safety steps had been taken. The National Council on Fireworks Safety offers these common sense safety tips for using consumer fireworks in hopes that injuries to consumers can be greatly reduced this season:

- Always purchase fireworks from a reliable source.
- Use fireworks as directed on consumer product safety label; never alter products.
- Observe local laws and use good COMMON SENSE.
- Have a designated shooter to organize and shoot your family show.
- A responsible ADULT should supervise all firework activities.
- Parents should not allow young children to handle or use fireworks.
- Alcohol and fireworks do not mix. Save your alcohol for after the show.
- Use fireworks OUTDOORS in a clear area; AWAY from buildings and vehicles.
- NEVER carry fireworks in your POCKET.
- Wear safety glasses whenever using fireworks.
- Always have water ready if you are shooting fireworks.
- Do not experiment with homemade fireworks.
- Never relight a "dud" firework. Wait 20 minutes and then soak it in a bucket of water.
- Soak spent fireworks with water before placing them in an outdoor trash can.
- Report illegal explosives, like M-80s and quarter sticks, to the fire or police department.

The National Council on Fireworks Safety urges Americans to follow common sense safety rules in their holiday celebrations.

The National Council on Fireworks Safety is a 501(c)(3) charitable organization whose sole mission is to educate the public on the safe and responsible use of consumer fireworks. For a full list of consumer fireworks safety tips and a safety video, please visit www.FireworksSafety.org.

INGLESIDE VOLUNTEER FIRE DEPARTMENT

Grilling facts from NFPA

Be sure to use safe grilling practices as the peak months for grilling fires approach – June and July. Gas grills constitute a higher risk, having been involved in an annual average of 7,200 home fires in 2007-2011, while charcoal or other solid-fueled grills were involved in an annual average of 1,400 home fires.

- In 2007-2011, U.S. fire departments responded to an average of 8,800 home and outside fires. These 8,800 fires caused an annual average of 10 civilian deaths, 140 civilian injuries and \$96 million in direct property damage.
- More than one-quarter (27%) of the home structure fires involving grills started on a courtyard, terrace or patio, 29% started on an exterior balcony or open porch, and 6% started in the kitchen.
- In almost half (43%) of the home outdoor fires in which grills were involved, half (51%) of the outside gas grills, and 29% of gas grill structure fires, the fire started when a flammable or combustible gas or liquid caught fire.

Source: NFPA's "Home Fires Involving Cooking Equipment," by Marty Ahrens, November 2013.

Calendar of Events for FD and Fire Corps:

July 3	Kiewit Fireworks Show
July 8	Fire Department Business Meeting
